Gautam Das, MD, FIPP
Director, Daradia: The Pain Clinic
Concord Tower, 2nd Floor, 92/2A Bidhan Nagar Road, Ultadanga
Kolkata, West Bengal 700067 India

Dear Dr. Das,

It is our privilege to convey that the **World Institute of Pain** does hereby confer to **DARADIA: The Pain Clinic Basilicata** the

***Excellence in Pain Practice Award
for
Multidisciplinary Clinical Pain Practice***

This professional designation is being conferred, because your pain center demonstrated to us that it excels in areas of pain medical practice deemed by WIP to be synonymous with a multidisciplinary pain practice, based on your **pain center's achievements in clinical pain practice, training programs for physicians and non-physician personnel, and clinical and basic science research; with special qualifications for your pain center's impact on the specialty of pain practice in local, national, and international networks.**

This award will be active for five years, through the year 2015. You will receive a marketing kit, complete with digital versions of the WIP and EPP logos and guidelines for their use, a proclamation certificate suitable for framing, and a plaque also for your display purposes. The first copies of the certificate and plaque are provided by WIP. Duplicates may be purchased and the kit you will receive will include an order form with pricing schedule. We are encouraging all EPP Award recipients to register for the WIP 6th World Congress and to participate in the awards and recognition ceremony in Seoul, Korea. If you attend the Congress, the plaque will be presented to you at that time. Otherwise, it will be shipped to you.

The WIP Excellence in Pain Practice Award is presented with the full support and approval of WIP President, Prof. Serdar Erdine, and the entire Executive Board. On behalf of all of us who served on the EPP Award Committee, we extend our appreciation for allowing us to evaluate and inspect your pain center for this award. We acknowledge your voluntary participation in this comprehensive evaluation process and congratulate you on your pain center's attainment of this EPP Award.

Warmest regards,

WIP Excellence in Pain Practice Award Committee

P. Prithvi Raj, MD, FIPP-Chairman Gabor B. Racz, MD, FIPP
